WAIVER AND CONSENT FOR MEDICAL TREATMENT, SELF-ADMINISTRATION OF PRESCRIPTION MEDICATION, AND OVER-THE-COUNTER MEDICATION

CAMP/CLINIC INFORMATION

Camp/Clinic Name: _____

Date(s): _____ Time(s): _____

Location: _____

The information requested on this form is intended to help inform program staff of any pre-existing medical conditions of participant. ***This information will be kept in strict confidence and will only be shared with your permission.*** The University requests the information below so that, in case of emergency, it will have accurate information so that it can provide and/or seek appropriate treatment for Participant. If Participant has a pre-existing medical condition, participation in any strenuous activities or recreational time may not be recommended. The requested medical information disclosed will not be used by the University personnel or employees to determine Participant's ability to participate safely in activities. You, as participant, parent or guardian understand that the **final determination about whether to participate is the responsibility of you and your physician**.

You are accountable for providing an accurate medical history. If Participant has any medical issue that is not requested below, but which you think is important, please include that information. It is recommended that you consult with a physician prior to participating in this Program. If you are uncertain about any preexisting medical conditions, it is your responsibility to consult with your own physician prior to participating in this Program. You understand that, if Participant chooses to participate in activities, he/she does so voluntarily and of his/her own accord and the final decision regarding participation is solely the responsibility of yourself, Participant, and your physician.

By signing your name under Medical Information, you acknowledge your agreement to the terms and conditions contained therein and you certify that all responses made on this form are complete, true, and accurate.

You understand that the University does offer an excess medical insurance policy for participants to cover medical expenses for injuries/accidents that occur in the course of the program's activities. Medical expenses that are declined for payment through the participant's personal insurance and/or through the excess policy become the responsibility of the participant's parent/guardian.
